WELCOME TO HOLY SPIRIT SCHOOL!

The families, students, staff, administration, and Parish of Holy Spirit wish to welcome you to our School. We hope you enjoy your educational and community experiences with us. We invite you to feel at home and encourage you to participate in the many programs and activities at Holy Spirit School.

The handbook provides a concise summary of Holy Spirit curricula, activities, and general guidelines for day-to-day operations. Please take the time to read it carefully. Ask questions on issues that are not clear and feel free to suggest ways for improvements. We are all dedicated to providing an excellent Catholic education for our children and rely on our Parish and School Families' enthusiasm and cooperative goodwill to strive toward that goal.

May the Lord continue to guide us through wisdom of His Spirit in carrying out our mission in Catholic education. May the Lord's peace dwell in our hearts, among our families and within our community.

PARENT AND STUDENT AGREEMENT TO COMPLY WITH SCHOOL POLICIES

A student is required to know all of the information, policies, and regulations. Ignorance can never be accepted as an excuse for their violation. This Handbook should be kept at home where it is available to both students and parents.

Acceptance of admission/enrollment to Holy Spirit School entails an agreement to comply with all school rules, policies, and regulations as published or may be enacted during the school year by either the Advisory Board or the Administration. The principal is the final recourse and reserves the right to amend this handbook. Parents will be given prompt notification. A statement indicating agreement by students and family to be governed by this Handbook is to be returned to Holy Spirit at the beginning of each school year.

OUR SCHOOL

Holy Spirit School established in 1954, is a state chartered, Catholic elementary school of Holy Spirit Parish, under the auspices of the Dioceses of Columbus Office of Catholic Schools. By offering academic excellence in a Catholic Christian environment, Holy Spirit makes a unique contribution to the range of educational choices available in the community.

Holy Spirit school admits students of any race, color, gender or ethnic origin to all its rights, privileges, programs and activities. The school will not discriminate on the basis of race, color, gender or the administration of its educational programs and athletics/extra curricular activities.

The school is open to students of families who sincerely seek the religious nature of our program. New admissions are subject to the approval of the principal who will exercise discretion so as to assure enrollment for good and proper reasons, consistent with the school's philosophy and mission. Holy Spirit School will not enroll a student for whom financial obligations to this or other schools of the Diocese remain unpaid.

Catholic schools are schools of choice. Any parent who wishes to have a Catholic education for his/her child agrees that the parent and child will abide by the policies and regulations of the school. If the policies and/or regulations are not adhered to, or if the school determines that attendance by a student will not be continued, the child may be asked by the principal and/or pastor at the elementary level to leave the school. Newly accepted students are on a probationary period for one quarter. After the quarter ends the administration with advise from the teachers will make a decision as to the progress of the child.

OUR MISSION

While nurturing active Christ-centered citizens, Holy Spirit Catholic School's mission is to maximize student learning through the development of responsibility, reasoning, and resilience.

HOLY SPIRIT SCHOOL'S BELIEFS:

- Christianity and student learning school should be primary foci of all decisions impacting the work of the school.
- All students can learn.
- All students should demonstrate measurable progress within a school year.
- Students should be given opportunities to learn about and practice their Catholic faith and values on a daily basis.
- Students need to learn and apply critical thinking skills in order to actively solve problems and to produce quality work.
- Each student is a valued individual with diverse needs.
- Curriculum and instructional practices need to incorporate a variety of teaching strategies that address different learning styles.
- Teachers should utilize a variety of assessment tools to measure student progress.
- A student's self-esteem is enhanced by positive relationships and mutual respect among and between the students and the staff.
- A safe environment promotes student learning.
- Teachers, administrators, parents and/or guardians, and the community all share in the responsibility for advancing the school's Mission.
- The commitment to continuous improvement is imperative if our school is going to assist in the development of responsible, resilient students who have the ability to reason.

CAREER DAY

Each year there is a national recognized day called "Take Your Child to Work Day". Some of the companies offer wonderful programs. One year during the 7th and 8th grade middle school years the students will shadow a profession arranged by the parent. We ask the students in grades K – 6 to wait until their 7th or 8th year to shadow a career. The School Board will arrange a visit to a local university for students in 7th and 8th grade.

CLASS DAY

Grades 1 through 5 – 8:00 a.m. to 2:30 p.m.
Lunch and recess 11:35 to 12:15

Grades K, 6 through 8 – 8:00 a.m. to 2:30 p.m.
Lunch and recess 11:00 to 11:35

CLASSROOM/SCHOOL VISITORS:

Parents are welcome to visit classes for special presentations. Drop in visits tend to be disruptive. When parents wish to see a student during the school day, they are asked to stop at the office and obtain a visitors pass. *By law, any visitor MUST report to the school office upon entering the school building.* This includes anyone entering the building other than teachers and students. Parents visiting the building, dropping off lunches, picking up homework, meeting children for appointments, etc. should report directly to the office. For the protection of our students, anyone found in the building or on school property without authorization, will be asked to leave immediately. Parents are welcome to observe in the classroom and are asked to contact the principal to make arrangements for suitable time.

EDUCATIONAL PROGRAMS

Holy Spirit School adheres to the Diocese of Columbus kindergarten through eighth grade courses of study that has been approved by the Ohio Department of Education. A highly qualified

staff through the use of sound educational policies and procedures administers a standards-based educational program promoting academic excellence.

The Roman Catholic religion is the basis of the Holy Spirit Program. Students take religious instruction during the course of the school day and are taught by teachers certified through the Diocesan Religious Education Program. No students attending Holy Spirit School may be excused from participation in these classes, liturgies or prayer services.

GRADE PLACEMENT – PROMOTION/RETENTION

Final decision as to the child's grade placement rests with the principal, based primarily upon teacher recommendation and in conference with the parents. Grades alone may not be the sole determination of a child's placement. Other factors such as maturity, basic skills, acquisition or predictable success factors may be considered in this decision. Such decisions do not necessarily imply that a child "passed" or "failed" but may involve some determination as to the likelihood of a child's success in a given grade. These factors will be considered both for students returning to Holy Spirit and for students entering the school for the first time. Parents will be notified of the possibility of retention by the end of the third quarter.

Promotion will not be granted if a pupil has N's in 2/3 of all sub-skills under the subject areas (Reading, Math, Science, Social Studies, Language Arts). If a student in the upper grades (6,7,8) fails one academic subject, the student must successfully complete a summer school program. Students in Grades, 6, 7, 8 who have failed two subjects must complete a summer school program to be promoted. Failure of more than two subjects will require a student to repeat the grade.

GRADING SYSTEM

The grading system for grades K through 8 is based on the following scale:

- + = Exceeds the Standard
- √ = Meets the Standard
- I = Improving, but not yet meeting the Standard
- N = Does not meet the Standard

Progress Reports are sent home quarterly to be signed by parents and returned. Parents are encouraged to discuss this report with the child, pointing out areas where improvement is expected, supporting the child's efforts to improve and sharing obvious pleasure in the child's accomplishments. Cooperation with the child's teacher is extremely important to helping correct deficiencies.

Life Skills are sent home when a teacher sees a pattern developing.

Effort Reports are sent home quarterly with the interim and the quarterly progress reports. Again, parents should discuss this report with the child.

GRADUATION

A simple, appropriate, inexpensive graduation exercise is held for students completing the eighth grade at Holy Spirit School. In order to receive a diploma, a child must be in good standing academically and have satisfied the requirements for the completion of eighth grade. Diplomas may be withheld when tuition and other fees are not paid in full. Graduation exercises are considered a privilege for students. Participation may be denied to students whose flagrant violation of the Code of Conduct are evident, in which cases, the diploma will be awarded privately.

Graduation Dress: The girls are to be dressed appropriately and “modest” for church. Dresses may not be strapless or low cut. Girls’ cleavage must be covered. Spaghetti strap dresses are not permitted. The boys should be dressed in a suit or dress pants, a shirt and tie, socks and dress shoes. Tennis shoes are not permitted for the graduation ceremony.

HOMEWORK

Homework is necessary in the development of the child’s skills and the mastery of the content area. Recommended and suggested study times are as follows:

| | |
|----------------|--------------------------|
| Grades 1 and 2 | 30 Minutes each day |
| Grades 3 and 4 | 60 minutes each day |
| Grades 5 and 6 | 60 – 90 minutes each day |
| Grades 7 and 8 | 90 minutes each day |

If the teacher feels that a particular skill has been mastered or lesson completed in class, no specific homework will be assigned. However, it is recommended that students review and study each day’s work to ensure that they have understood the material that has been presented. All written work should be done neatly and completely and is to be handed in on time. If a child’s homework study time goes beyond this, parents are urged to discuss the situation with the teacher.

Parents are encouraged to monitor their child’s homework. It is helpful to check it on a regular basis, encouraging quality work. It is the responsibility of the student to complete all assignments and turn them in on time.

Homework Hotline will be recorded daily. To listen for a recording of the day’s assigned homework in grades 1 – 8, call the school office at 861-0475. When you hear the opening greeting press 37 to be transferred to that extension. Hang up when finished.

Website – The same homework information will be published daily on the Holy Spirit website www.holy-spirit-school.org

INTERIM REPORTS AND EFFORT REPORTS

These reports will be sent home with each child, halfway between each of the first three grading periods. An interim report will be sent home, half way between the fourth grading period for only those students who are dropping a grade level or failing.

Realize also that it is possible for a student to have all “+”s at interim time and drop to mostly “N”s with a few “+”s after interims are given. If your child tends to slack off, not complete homework or assignments, a parent is advised to check every couple of weeks with his/her teachers regarding the students’ progress.

LIBRARY/MEDIA SERVICES

Holy Spirit School enjoys a library media center that is growing and developing. K through 8 library classes’ use of audio-visuals and instructional materials enhances the curriculum and helps supplement printed materials.

Students are encouraged to visit the library and check out books regularly. Books are loaned for two weeks, encyclopedias for over night, and other reference materials for three days under normal circumstances. Fines for overdue books are 2 cents per day, 5 cents per day for reference materials, magazines, articles and records; and 10 cents for overnight loans. Students are held responsible for the loss or damage of any library materials loaned to them. Students who cannot locate library materials within a reasonable length of time will be expected to pay for the material. If materials are located and returned in good condition, the replacement cost of the item will be returned. Prudent use and care of books and materials is expected by all students.

MUSIC PROGRAM

1. Music Classes – All students will be taught music twice a week. Students in K through 5 and 6, 7, 8 will have the opportunity to participate in a school musical and/or talent show each year to help develop self-confidence and poise. The evening performance is

mandatory and will be the final assessment for the target goal, which is the performance of the musical.

2. Piano Lessons – Children in grades K through 8 may take weekly piano lessons. Lessons will be scheduled on a rotating basis so that the same subject is not missed. The piano fees are paid directly to the piano teacher.

PARENT, STUDENT, TEACHER CONFERENCES

While the progress reports and interim reports can be valuable, they do not tell the whole story. For this reason parents are encouraged to take advantage of the opportunities for parent-teacher conferences in Grades K – 4, and parent-student conference in Grades 5 – 8. We encourage parents to confer at times throughout the year. If your child has a tendency to not complete assignments, do home study or put much work or energy in his/her schoolwork, we encourage you to call periodically or stop to set up an appointment after school.

PLAGIARISM POLICY

Plagiarism is the use of another person's ideas, words or thoughts as if they were one's own. It is, by its very nature, a form of cheating and violates our value of honesty.

1. Plagiarism From A Written Source

Plagiarism from a written source occurs when a student uses the exact words, a close paraphrase, or a unique idea from a critical source or from any printed source. On research papers, this type of plagiarism is avoided by end-noting sources. In general, the rule is simple: if in doubt cite the source.

2. Tutorial Plagiarism

Tutorial Plagiarism occurs when a student has received so much outside help that the final product is not the work of the student. Judgment is made based on the diction, style, sentence structure, organization, and mechanics of the essay in question compared with those elements from other essays the student has written.

RELIGIOUS EDUCATION PROGRAM

RELIGIOUS EDUCATION

A comprehensive program of religious instruction is at the heart of our educational program. Students participate regularly in Mass, Sacraments and various liturgical activities. Religion class is part of the daily routine, as we follow the Religious Course of Study of the Diocese of Columbus. Students also participate in various service projects and mission drives throughout the year. All children are expected to participate in the religious life of the school. While reception of the Sacraments is not an option for our students of other faiths, all students attend Mass and participate in the various services.

RELIGIOUS GOALS FOR OUR RELIGION PROGRAM

GOAL #1 – To Continually Improve Our School Liturgy Program by:

1. Inviting speakers with expertise and experience in working with children's liturgies to give an in-service to the faculty.
2. Continuing to build a Liturgy Library for teachers to use in preparation for class liturgies.
3. Using One Religion class a week to prepare our children for the Sunday Readings for Mass.
4. Continuing to build our lector, greeter, altar server program and giving proper training to the students involved.
5. Having monthly all school liturgies celebrated by the entire student body. Parents and parishioners will be invited.
6. Having Mass on Tuesday for grades Kindergarten and 5 – 8 on Wednesday for grades 1-4.
7. Providing Reconciliation Services during Advent and Lent for the school children.
8. Providing the liturgy leadership for the parts of our parish Sunday Schools Week Mass.

MASSES

CLASS MASSES – Grades 1 – 4 will have Mass on Wednesday. Grades K, 5 – 8 will have mass Tuesdays. Mass will begin at 9:00 AM. Parents are encouraged to attend.

ALL SCHOOL MASSES - We will have a monthly all-school liturgy celebrated by the entire student body. Parents are encouraged to attend. Students are to wear dress uniforms.

RECONCILIATION SERVICES – An Advent of Lenten Reconciliation Service will take place for the students in Grades 2 through 8 each year.

CLOSING/GRADUATION LITURGY – We will have all school liturgy to end the school year. This will also serve as the graduation liturgy for the Eighth Grade.

GOAL #2 – To Assist Parents With Their Role As Prime Educators

1. Through the School Board Adult Enrichment program by providing a Parenting course at Holy Spirit School.
2. Through Sacramental Parent Preparation Programs, which assist in Religion classes.

SACRAMENTS AND PARENT DEVELOPMENT OF FAITH

Sacramental preparation is an integral part of the religious program of the school for First Eucharist, First Reconciliation and Confirmation. Second graders prepare for First Eucharist and for First Reconciliation. Eighth graders prepare for Confirmation. Home study and family involvement are important to these preparations.

While the school provides a quality program in religious instruction, it is the home where faith is monitored and shared. We encourage parents to take their God-given responsibility for the development of faith by their example seriously. The example of parents' regular attendance at Mass, active practice of the faith and involvement in parish life are crucial to the child's faith development.

GOAL #3 – To Provide Adequate Opportunities for Worship by Staff and Students.

1. By providing a morning of reflection for the faculty to begin the school year.
2. By beginning all Faculty meetings with time for prayer.
3. By providing a variety of styles of prayer to begin the school day with the student body.
4. By ending the school year with an all school evening Liturgy, that will also serve as the graduation Liturgy for eighth grade.

GOAL #4 – To help students to acquire the Gospel Values of Justice to others, love of neighbor and service to their world. "So also faith itself, if it does not have works, is dead." (James 2:17) We must back up our faith with action for it to have any meaning.

Service Hours – Service is time spent contributing to others and/or the community with a cheerful attitude and without pay or reward. All students are asked to give of themselves in service opportunities throughout the year.

Service Events That Take Place During The Year

Operation Backpack – During July and August, volunteers help needy students in the Whitehall area by providing a backpack with school supplies to begin the school year.

Blessed Baby Bundles – Throughout the school year, students are encouraged to donate pennies to support the purchase of necessary baby items for bundles. Gently used supplies are also collected. The bundles are donated through a local hospital to families of newborns in need.

Blanket Drive – Families may donate blankets and winter items for needy families. Recently, the 4th grade class has chaired this project.

Quarterly Food Drives – Quarterly the 8th grade class with the assistance of the Student Council collect donated food items for the parish St. Vincent de Paul Food Pantry.

Aluminum Can Collection – Throughout the year, our third grade class collects aluminum cans to assist Habitat for Humanity.

Students are encouraged to create service projects as a class. Examples of recent projects are Easter Baskets and Box of socks.

Other Service Opportunities – Students can share their time and talents in a number of ways with the school, church, community, and home. Remember service is completed without pay or reward. Samples of ways to earn service hours:

- a. Help with Market Day
- b. Altar server on weekend, funeral, wedding, etc.
- c. Safety Patrol
- d. Help with Flower Sale
- e. Volunteer at COSI, library, animal shelter, Meals on Wheels, etc.
- f. Babysitting
- g. Help elderly / neighbors around the house – mow lawn, rake leaves, shovel snow, odd jobs, etc.
- h. Tutoring
- i. Visiting shut-ins

ALL SERVICE PROJECTS ARE DONE WITHOUT RECEIVING PAY OR REWARDS!

II. ATTENDANCE REGULATIONS

STUDENT ABSENCES

1. Achievement and attendance are highly related. Classroom attendance is essential for a student to progress academically; regular school attendance now will later in life have a vital bearing on references given to colleges and future employers.
2. The State of Ohio requires a school to be in session for 180 days. Compulsory student attendance is mandatory.
3. Parents or guardians are legally responsible for student's attendance in school; therefore, the parent or guardian of any student may not give permission for unexcused absences.
4. Any student who accumulates: A total of 15 days school absence, 7 or more days in a month, 5 consecutive days must have a written statement from the doctor stating the illness and the need for being absent from school in order for the absence to be considered an excused absence.
5. According to Diocesan Policy 511.3, we are justified in refusing credit for the year to any student who misses 28 days whether absences are excused or unexcused.
6. Absence from school more than one hour will be recorded, as a half-day's absence.
7. A student must be in school for a full half day in order to attend practice or to play a contest on that day.

EXCUSED ABSENCES

1. Excused absences are those that are included as reasons for absence according to the Ohio Revised Code. These reasons are:
 - ❖ Personal illness. The principal may ask for a statement from a physician if she deems it advisable. (See above guidelines)
 - ❖ Illness in the family. The absence under this condition does not apply to children under 14 years of age.
 - ❖ Death of a relative. The absence arising from this condition is limited to a period of three days unless a reasonable cause may be shown by the applicant child for a longer absence.
2. An excused absence permits the student the privilege of receiving credit for make-up work.
3. It is the responsibility of the student to make appropriate arrangements with the teacher for make-up work completion.

UNEXCUSED ABSENCES

An unexcused absence, whether resulting from truancy or other unacceptable reasons eliminates the opportunity to earn credit for work missed. Students will be encouraged to complete assignments in order to remain current. Disciplinary action may result from unexcused absences.

REPORTING ABSENCES

The parent or guardian of a student who will be absent from school must call the school office by 9:00 AM each day of the absence. A message explaining the student's absence may be left on voice mail extension 36. Upon return after an absence, a parent signed note stating the reason for the absence must be turned into the school office.

EARLY DISMISSAL

1. Request for early dismissal must be in writing, signed by parent/guardian and contain the following information:
 - a. Student's name
 - b. Date
 - c. Time to be excused
 - d. Reason for leaving

2. The student is to present the request to the school office for approval at the beginning of the day.
3. A student leaving school at anytime must be sign out in the main office by a parent or guardian.

ILLNESS

Students who become ill at school must obtain a pass from the classroom teacher to go to the nurses' office. A student may remain in the nurse's room for approximately up to 20 minutes after which a decision as to whether the student should return to class or go home must be made.

The parent of the student will be called. The parent or guardian of the student must come to pick up the student. When the parent/guardian arrives, the parent/guardian must sign the student out of the office.

TARDINESS

A purpose of education is to develop habits and patterns of behavior for life.

1. **BEFORE SCHOOL TARDINESS**

A student who arrives late for school should report immediately to the office. An admit to class slip will be given and the student is marked tardy. An absence for one hour will be recorded as a half-day's absence. All students will receive four (emergency) tardies per quarter in order for inclement weather, traffic conditions etc.

2. **EXCESSIVE TARDINESS**

Students who exceed four morning tardies are considered to have an excessive tardiness problem. A tardy received after four morning tardies will be considered unacceptable. As these tardies accumulate during the quarter, the following penalties will be assessed, in the hope of preventing habitual tardy problems.

- a. First accumulated tardy (5th) – loss of lunch recess
- b. Second accumulated tardy (6th) – loss of two lunch recesses
- c. Third accumulated tardy (7th) – after school detention
- d. Fourth accumulated tardy (8th) – after school detention
- e. Fifth accumulated tardy (9th) and beyond – 2 after school detentions

III. ATHLETICS

Athletics should be an educational experience, aimed at providing a healthful, enjoyable, atmosphere conducive to the growth and development of every participant. Holy Spirit School does not facilitate grade school sports. The Parish through the Men's Club and athletic directors sponsors the sports program. If there are any questions or concerns about athletics, please contact the coach, followed by the athletic director, Men's Club and Pastor.

Students who are not meeting the academic standards in Math, Science, Health, Language Arts, Religion and Social Studies may become ineligible to participate in athletics and/or cheerleading.

Once deemed ineligible, the school will contact the parent for a conference so an individual contract may be written to establish goals to be achieved for academic performance and success. Parent and student will attend the conference.

FALL: Volleyball and Soccer

WINTER: Basketball, Cheerleading

SPRING: Girls Softball, Boys Baseball

IV. COMMUNICATION

We strive to keep the lines of communication open between parents and teachers and to keep you informed of school happenings and important issues. Several of the ways in which we do this are listed below.

SCHOOL COMMUNICATION

School communication will be sent home each Friday to your email address and posted on the school website (www.holy-spirit-school.org). Families who do not have access to the internet may request a paper copy from the school office. This communication outlines school activities and meetings, which will take place the next week. Any changes that will take place in the calendar and updated information will be included in this communication.

All information distributed at school must first have the principal's approval. Items to be included in the Friday communication must be to the principal by WEDNESDAY MORNING – 10:00 AM FOR APPROVAL.

OPENING OF SCHOOL LETTER

This letter will be mailed to all families in August with information for the upcoming school year.

PHONE CALLS

Generally, students who forget homework, books, and other materials for which they are responsible will not be permitted to call home. We ask parents to support our efforts to build a sense of personal responsibility in the children by refusing to make extra trips to school for such things. Naturally, students will be allowed to use the phone for things more serious in nature. Students are not permitted to call home for illnesses and the like. The school nurse or other staff members must make such contacts.

SCHOOL MESSAGING SYSTEM

The NSA is an emergency communications network designed to provide schools with the ability to contact parents in the event of an emergency with the click of a button or with one phone call. The NSA is a web-based application that will contact parents via telephone or computer.

TEACHER CONFERENCES

Parent/Teacher conferences are scheduled in fall and winter. If a parent feels a need for a conference at any other time, they are encouraged to call the school office. The teacher will be notified and return the call to arrange a suitable time. All middle school students are expected to attend Parent-Teacher Conferences.

CALENDAR

A calendar of all known scheduled school activities and programs will be given to each family at the beginning of the school year. The calendar is contained in the back of this handbook.

E-MAIL

At the beginning of the year we will ask for the e-mail address of any school families so that teachers can communicate to parents quickly and the parents can communicate to teachers.

QUESTIONS AND CONCERNS

Parents are encouraged to contact the school with any questions or concerns they have with regard to their student. First call the teacher to discuss your question or concern. If you are not satisfied then call the principal who will, in turn, sit down with the parent and the teacher to work out a solution to the question or concern.

Students in grades 6, 7 and 8 need to talk individually to the teacher when a problem takes place. We are trying to enable students to practice life skills. Then if the problem is not resolved, satisfied, they are then to make an appointment with the teacher. If the parent or teacher is not satisfied, they are then to make an appointment with the principal, which shall include the student, the parent and the teacher(s).

Anytime in which a parent requests a deviation from the policy or rule, be it for special excuses, uniforms, problems, homework, etc., a simple note from home will be helpful in understanding the situation. A phone call to the secretary, principal or teacher can also be helpful in keeping the school aware of important information, and may save the student from experiencing disciplinary consequences.

RESPONSIBILITY OF THE SCHOOL TO THE PARENTS OR THE NON-RESIDENTIAL PARENTS

1. The school has the responsibility to communicate directly and as often as possible with the parents of each student.
2. If at any time during the school year there should be change in the marital status of the parents, the parent who is the residential parent shall notify the school office.
3. He/she shall also send to the principal a certified copy of the court order stating that he/she has custody of the child.
4. All official school papers, announcements, report cards, progress reports, etc. will be sent to the parent(s) responsible to the school for the fulfillment of the financial obligations unless otherwise directed by court order.
5. When there is shared custody we will be willing to mail or email the school information to both parents. However, due to the expense of the mailing we are asking each family to pay \$60.00 per year to cover this cost.
6. At the beginning of the year the school will send a form home asking the nonresidential parent to request from the school that the weekly Next Week at Holy Spirit be mailed to them. Again, due to the expense, we are asking each family to pay \$60.00 per year to cover the cost of the mailing.
7. In the absence of court order directing the administration to perform a given act, or in the absence of direction from proper authorities, our administration declines involvement in matters regarding custodial rights.

V. DISCIPLINE

INTRODUCTION

Discipline is training which inspires and strengthens as opposed to a program of punishment. The ultimate aim of any program of discipline is self-discipline.

Maintenance of discipline in the school results from the combined efforts of each student, parent, and teacher. For teachers to maintain a learning atmosphere in the classroom it is essential that children be taught Christian responsibility and respect for others at home, as well as school. The Code of Conduct of Holy Spirit School will be enforced in all areas of the school and at all school related activities.

Overall class discipline continues to remain at the discretion of each teacher.

PHILOSOPHY

The Code of Conduct at Holy Spirit School exists to insure students the best possible atmosphere for learning and to direct the students toward self-discipline. We allow students to make choices in a guarded and loving atmosphere. We respond to those choices in a way that encourages right choices and supports the students' efforts to correct negative behaviors. It supports right behavior and draws attention to the positive aspects of the child's growth in self-discipline. Our expectations are high, but we remain committed to maintaining high standards in order that students may be challenged to be the best that they can be. We take our responsibility in this regard seriously, and enlist the cooperation of all our families in supporting these policies. The administration reserves the right to make the final judgment on any discipline matter and may waive any disciplinary rule for just cause at his/her discretion.

EXPECTATIONS

With Christ as our model, we maintain the following standards for behavior:

1. Students are expected to treat students and adults alike, with respect and courtesy.
2. Students are expected to respond to teachers and adults in a positive, obedient and respectful manner.
3. Students are expected to be respectful of the building, supplies, materials and facilities.
4. Students are expected to conduct themselves in a manner that respects the learning environment, characterized by a quiet, orderly building.
5. Studies are expected to be reverent and give meaningful participation in liturgy and other religious activities. This is expected without exception.
6. Students are expected to be in uniform according to the dress code with all necessary supplies and materials, books and assignments prepared to meet the demands of the day.
7. Students are expected to participate in the learning process of the classroom, complete assignments on time and in an acceptable manner, cooperate with teachers and others in getting the best advantage from the education.
8. Students are expected to conduct themselves with dignity at all times in and out of the classroom, library, lunchroom, etc.
9. Students are expected to use recess in a manner that demonstrates respect for others, fair play, and concern for safety.

10. Students are expected to resolve problems in peace, with justice and dignity. When problems cannot be settled, the involved parties are to seek the intervention of the principal, teacher or adult in charge.
11. Students are ambassadors of Holy Spirit School and are expected to act responsibly at all times, and refrain from actions contrary to our faith or those which might endanger the health, safety, or well being of others. This applies to all activities of the school and all related school activities.
12. Students are expected to accept correction with respect.
13. Students who are aware of serious violations of the school rules are expected to report this to the principal or teacher in an honest and direct manner.
14. Students are expected to use acceptable language. Obscene language is unacceptable.
15. Students should expect that any items related to drug and gang culture would be confiscated.
16. The Diocese of Columbus has a concern with conduct by students at school or away from school that may bring discredit or harm to the name of the school or the reputation of the student body. Consequently, conduct at school or away from school that is inappropriate to Christian moral standards, conduct that is violation of the law, conduct that is detrimental to the common good, threatening, harmful, or offensive to other students or staff or conduct that is of such nature as to jeopardize the good name of the school, may subject a student to discipline. Discipline for such conduct shall be at the sole discretion of the school.

PROCEDURES USED IF THE DISCIPLINE CODE IS VIOLATED

For those students unable to develop self-discipline, the following procedures will apply:

- | | |
|---------------------------|--|
| First Infraction | = an after school detention – this will occur after the student has three noon study halls for behavior. Each time a student receives a noon study hall for conduct a blue slip will be sent home. |
| Second Infraction | = an after school detention |
| Third Infraction | = phone call home by the teacher and after school detention |
| Fourth Infraction | = conduct referral – Parent/Teacher conference and after school detention |
| Fifth Infraction | = conduct referral – Parent/Teacher/Principal conference and after school detention |
| Sixth Infraction | = warning letter and probation and detention |
| Seventh Infraction | = suspension and family attendance at Middle School Family Workshop if the suspension is more than one day. |
| Eighth Infraction | = suspension or expulsion – to be determined by the principal after consultation with the teachers and parents. |

- ❖ For students in grade 5, the discipline code steps will start over each quarter. For students in grade 6, the discipline code steps will start over after the semester. For students in grade 7 and 8, the discipline code procedures will be in effect for the entire year.
- ❖ Any infraction that occurs after receipt of the fifth conduct referral results in a warning letter that the next step will be probation and detention. This letter will be sent by mail to the parents and a conference will be required.
- ❖ The principal will determine the length of the probation.
- ❖ The following restrictions (the following list will give many examples however it does not include every possibility) are imposed upon those on probationary status. Students on probation may not participate in any special school activities or school sponsored extra curricular activities.

NOON STUDY HALL

- ❖ Brown bag lunches are to be eaten in noon study hall. Hot lunches are not permitted.
- ❖ After three noon study halls the next infraction will result in an after school detention
- ❖ Students will be in the Noon Study Hall for the entire time. A student serving a Noon Study Hall will be given a slip to take home. This slip must be signed and returned the next day. Failure to return the slip the next day will result in another Noon Study Hall. The purpose of the slip is to keep the parents informed as to what is occurring at school, we do not expect any further action.

SUSPENSION / EXPULSION OF STUDENTS

Serious misconduct is cause for suspension, or suspension and expulsion. Serious misconduct is that which disrupts the academic atmosphere of the school, endangers fellow students, teachers, or school officials, damages property, or flagrantly or repeatedly violates regulations or policies of the diocese or school. For such conduct the principal or administrator in charge may immediately suspend the student from school. The student may be sent home during the school day provided that the student's parent or guardian has been notified. Expulsion shall not take place except as a result of the suspension procedure described in Diocesan Policy 5114.0. This policy is found and outlined in the School Policies and Regulations manual available in the principal's office.

- A. Suspension of 1 to 10 days – (Participation in extra-curricular activities during days of suspension is not permitted.) If a student is suspended, the principal shall notify the custodial parent on the telephone and in writing and offer to have a conference with the parent or parents. Diocesan policy will be followed in the event or expulsion.

MIDDLE SCHOOL SATURDAY FAMILY WORKSHOP will be required for any student that is suspended for more than one day of school. Students that are suspended two or more days will remain out of school on suspension one day and then will be required to attend the Middle School Saturday Family Workshop. This is an intervention strategy for students who violated the school's Code of Conduct. Participation requires the student and at least one parent/legal guardian in attendance. The Saturday series is sequential and builds on the previous session.

Families must fully attend the three consecutive sessions within one month. These sessions are held on Saturday mornings' from 8:00 AM to 12:00 PM at Whitehall Rosemore Junior High School, Our Lady of Perpetual Help or Columbus Dominion Middle School.

Workshop activities will help students discern the impact their behavior has on their life and the lives of others.

The Workshop focuses on:

- Students will practice healthy coping skills; parents will learn new strategies for relating to their adolescents.
- Students and their families will participate in exercises that help build open communication in the family.
- Family members will learn ways to better understand their family roles and responsibilities.
- Families will work together on a plan of action.

B. Expulsion – If it is deemed that a student’s continuation at Holy Spirit would not be in the best interest of the student and/or the school community, he/she will be suspended and subsequently expelled from the school. This would occur after a major violation of school and/or Diocesan policy. A specific procedure is detailed in the Diocesan Policy book and would be strictly followed. If parents consider the expulsion unjust, they may petition the Superintendent to review the decision. Please see Diocesan Policy #5114 found in the back of the student handbook.

- Answering prayers and participating in the singing
- Attending quietly without disturbing or distracting others before and during services
- Communicating reverently

FIGHTING

Fighting is a disruption, violent, illegal form of behavior and will not be tolerated. Any violation of this policy renders the violators subject to an out of school suspension. Depending on the circumstances, fighting may result in expulsion. Fighting is considered throwing blows, or wrestling on the ground. This will result in an out of school suspension. Shoving, pushing, pulling on a person will result in a recess or after school detention.

GANGS AND GANG ACTIVITY

Holy Spirit School attempts to create an environment that is conducive to learning and growing into mature Christian boys and girls. Any activity that advocates the lack of respect for any portion of our society is in opposition to Holy Spirit School Code of Conduct and contrary to the teachings of the Catholic Church. The school environment is not a place for gang activity, signs, symbols, dress intimidation or violence. Any gang related activity is considered a major violation of school rules and will not be tolerated. CONDUCT ON THE PLAYGROUND

Expectations for outdoor recess are:

1. Use playground equipment appropriately. It is designed for use of students in Grades K through 4
2. Once outside, students will not be permitted inside until the bell rings unless permission is obtained from an adult on duty. Students should use the restrooms before going outside in order to avoid unnecessary trips back into the building. Students are not permitted to roam the halls or linger in classrooms at lunchtime.
3. Avoid running through other's games in progress
4. Leave snow and rocks on the ground, use soft balls or playground balls only
5. Play flag football only

Any of the above guidelines not followed on the playground will result in Noon Study Hall.

PROFANITY

In our Christian environment, the use of God's name in vain or the use of vulgar and/or disrespectful terms or actions will not be tolerated. We ask that parents reflect upon the conditions that may lead to their child(ren) hearing words that do not reflect acceptable language for an educated person. Does your child have unsupervised access to the various types of media: T.V., movies, printed materials? What type of humor is permitted in your home in the presence of your child(ren)? We cannot protect children from society, yet we can set some standards and explain that when society fails, such behavior is unacceptable in the home and school environment.

When your student is heard using obscene language, the exact words will be written in a note to the parent and signed by the student. This must be signed by the parent and returned to school. This information will be used to evaluate any future actions needed to be considered by the school. Lunch or after school detention will be assigned.

RADIOS, CD/TAPE PLAYERS, IPOD & MP3 PLAYERS, HEADPHONES, PAGERS, CELLULAR PHONES, ELECTRONIC GAMES

Students are not permitted to have on their person or in their backpack, any type of radios, CD players, headphones, pagers, tapes, or CD's during the school day or at school functions. If this rule is violated, these items will be taken and will be returned when the parent makes arrangements with the Principal to come to the school office to pick it up. If a student needs to have a cell phone, the cell phone is to be turned off and kept in the book bag. When present in the school building all cell phones must remain in the book bag turned off. This policy applies to the use of the cell phone in our after school program.

RESPECT

Within the school community, it is especially important that students treat one another and all school personnel with respect. Any student who refuses to obey a direct order of any teacher, staff member, noon monitor or administrator will be suspended from school for a minimum of two (2) days. Any deliberate act or threat of violence toward any member of the school staff will render the violator subject to expulsion.

VI. FINANCES

TUITION POLICY

3240.0 H.S.

Tuition shall be paid on a regular schedule as decided by the School Board and approved by the Parish Finance Committee.

However, it is our belief that no Holy Spirit Parish student shall be denied a Catholic education solely because the family is unable to pay tuition. Any parish family who finds themselves in a financially difficult situation must contact the principal to seek assistance. Tuition assistance may be applied for through the Diocese with completed applications due by the end of March.

It is the expectation of the Holy Spirit School Board that each parish family will fulfill its moral obligation to actively support and participate in the parish and all school families will volunteer their time and talent in helping with school sponsored activities and programs including fundraising.

Holy Spirit School offers Tuition Service Agreement, which provides the opportunity to educate your child/ren by electing the plan that best satisfies your needs and choice of commitment.

For further information and tuition pricing, please contact the school office or the parish office (861-0475). To request a copy or view the Diocesan and Holy Spirit School Board policies, please contact the school office.

In accordance with Diocesan Policy 3240.1, permanent records of students whose financial obligations have not been met will be withheld. In addition, without prior arrangements, Holy Spirit will not accept a student whose financial obligation to another Catholic school has not been met.

School Board Policy Revised 3/14/95

PARTICIPATING MEMBERSHIP IN A PARISH – According to Diocesan Policy 31130.0

In order for a family to be acknowledged by the parish as a “participating member”, it is necessary that they be registered in the parish, that they are recognized by the pastor as a family participating in the sacramental life of the parish; that they contribute time and talent to the ministries of the parish; and, in agreement with the pastor, that they regularly contribute an appropriate portion of their annual income to the financial support of the parish.

TUITION ASSISTANCE

Before requesting any tuition assistance from the Parish, parents are to request tuition assistance from the Diocese in the spring. If any unforeseen crisis occurs you may request tuition assistance from the Parish. In return, we ask for some extra volunteering. We expect Parish families to attend weekly Mass. Our parish has made a commitment to educate our children. No one who truly follows the above will be turned away.

IX. SAFETY PLAN

PHILOSOPHY

We, the community of Holy Spirit School, believe it is our responsibility to assist families in the child's growth as a Catholic Christian. Schools today are often confronted with an incredible array of attitudes, cultural differences and emotional and social upheavals. When a crisis strikes, even the most capable staff can quickly become overwhelmed. In an effort to minimize the fear of the unknown and the devastation that can result from a crisis, a crisis intervention team and written plan have been established.

This plan has been developed in an effort to guide Holy Spirit School staff and families in a growth-producing experience of Christian love in the event of a crisis. The plan will be adapted and implemented according to the nature of the crisis.

CRISIS INTERVENTION PLAN

The principal, pastor, all faculty and staff members' have a set plan if the death of a teacher or student would occur. This can be found in the green Crisis Intervention Binder held by staff members. This plan includes:

1. Morning staff meeting to state facts, who what, where, when, how – giving as much detail to reduce the unknown without sensationalizing or intruding on privacy of family.
2. Teacher Responsibilities
3. Crisis Room
4. Principal Responsibilities
5. Community Response People
6. Policy on Funerals:
 - a. Students may attend the funeral with parent permission.
 - b. Students may attend the funeral accompanied by a parent or by another adult designated by the parent.
 - c. If the child is leaving school for the funeral he/she must be signed out by the designated adult.
7. School Memorials:

At the death of a student or faculty member:

 1. The school will have a memorial mass at the next all school mass
 2. Contributions will be taken and donated to the school endowment fund.
 3. Letter of information will be sent home to each family.

INTRUDER CRISIS PLAN

1. The intruder crisis plan has been established. A code has been established so that we immediately lock rooms and teachers account for all students and calmly tell students. "The building is not safe at this time. Do exactly what I tell you to do!" The students should then be directed to sit under their desk with the teacher doing likewise. Students must not huddle together as they would become easier and larger targets.
2. All visitors and volunteers must sign in and wear a pass when they are in the building. We also have plans for bomb threat, fire, tornado drills and articles for families in time of need.
3. We also have plans for bomb threats, fire, tornado drills and articles for families in time of need.
4. In a crisis the Diocesan Communication Office is the Media Liaison. Mrs. Saelzler will be our family liaison person and our school nurse will be our grief consultant.
5. All doors of the school building are locked at all times. Students are NOT TO OPEN THE DOORS FOR ANYONE even their own parent. Staff and faculty members are authorized to open the door for persons they know. Otherwise an office staff member must open the door.

6. Holy Spirit School has not had a crisis, or an intruder in the building. However, we do not want to wait until a crisis takes place to decide we need a plan.

EMERGENCY SCHOOL DISMISSAL PROCEDURES

Rapid Dismissal Drill

In the event, we must evacuate the building and move to the church hall, the following procedures will be followed:

- All classes will exit through doors on the north side of the building. Grade 1 will go through kindergarten, Grade 2 through Extended Day, Library through Grade 3, Computer class through north entrance door by office, Grade 7 through 5th grade room and Music Class through the 6th grade classroom. The Art Room will go through the gym door by the parish office.
- While walking to the church hall students should remain with the teachers whose class they were attending prior to the emergency dismissal.
- The students will sit in the same places that they sit during lunch. Once in place the students are to put their heads down. The students will remain in place until released.
- Parents should go to the dismissal table when they arrive at the church. Runners from that table will find the children from the family and bring them to the dismissal table. Students will be dismissed by family.
- Parents should sign out their children on the Emergency Dismissal sign-out sheet located at the Dismissal Table. NO student may leave unless a parent or other authorized adult signs the student out.

Super Site Evacuation – Holiday Lanes on East Broad Street

- Before proceeding to our site, a secretary will call or travel to the site to make sure it is safe and can be unlocked. We will call ahead and notify them we are leaving Holy Spirit School. The students will line up in a single file line proceeding out the south exit doors of the classroom.
- Kindergarten will go through 1st grade, 3rd grade will go through second grade, fourth grade will exit through the library, fifth grade through computer, 6th grade through 7th grade classroom and 8th grade through the music room. We will proceed to Holiday Lanes down Duchene Lane.
- The teacher will lead the students with the teacher aid bringing up the rear while walking over to Holiday Lanes. The students should remain with the teacher whose class they were attending prior to the emergency dismissal.
- When the school has arrived at the Holiday Lanes, students will go with their homeroom teacher and will remain with that teacher until the students are released to their parents. Parents will go to the Dismissal Table when they arrive.

U.S. DEPARTMENT OF HOMELAND SECURITY – THREAT LEVEL OF RED

As defined by the U.S. Department of Homeland Security, a Threat level of Red is declared when there is a severe risk of terrorist attacks. Under most circumstances, the Protective Measures for a Severe/Red condition are not intended to be sustained for substantial periods of time.

If the Franklin County Red Alert School Team, comprised of the Superintendents from Columbus Public Schools and Gahanna-Jefferson City Schools, determines that the threat is a potential danger to Franklin County, the following procedures will be followed.

If Red Alert is issued before or after school hours:

Then, normal school operations will cease based upon the Red Alert School Team's recommendations and will remain closed until advised by the Red Alert School Team to reopen. All school activities and events scheduled will be cancelled until notice by the Red Alert School Team.

If Red Alert is issued during school hours:

Then, school buildings will be secured and remain open until regular dismissal time, unless otherwise advised by the Red Alert School Team. Students will be sent home by normal transportation means or released to parents pursuant to district policy. All after-school activities and events will be canceled, unless otherwise advised by the Red Alert School Team.

STUDENT SAFETY / SAFETY PATROL PROGRAM

The safety of all students is best assured when the policies and practices explained in this handbook are followed. The discipline codes emphasizes that safety is everyone's concern and responsibility. In addition to the above precautions, the school maintains a student Safety Patrol Program. Student on patrol are to be regarded as authorities in their various duties. These responsible young people are a big help in keeping Holy Spirit a safe place for all students. Their directions at the crosswalks and school parking lot are to be obeyed by all students.

FIRE AND TORNADO DRILLS

By law, fire and/or tornado, lock down and rapid dismissal drills must be held monthly. For the safety of all, students are expected to walk quickly and silently to the proper exit or tornado area. Once outside, students assemble at designated areas on the edge of the playground. No one should re-enter the building until the signal has been given. During tornado drills, students are expected to assume a protective posture, that is, to sit with head between knees and with arms covering one's head.

X. SCHOOL BOARD POLICIES

Service Activities For Students

1410 H.S. Revised 6/2001

In keeping with the commitment of Holy Spirit School and Diocesan policy to educate students for Christian service, the school will encourage students and provide opportunity for students to participate in service activity or charitable program of the Diocese, Holy Spirit Church and parish and our local community organizations.

The board encourages participation in those programs and/or services that would result in greater sense of selflessness and social responsibility for the student rather than in tangible rewards.

The principal in conjunction with recommendations by the staff will determine which service activities are appropriate.

Guest Speakers

2211.23 H.S. Revised 6/2001

The School Board realizes that speakers can bring an added dimension to learning. Therefore, we encourage teachers to incorporate speakers into their class study program under proper supervision and prior approval by the principal.

Parents are encouraged to share their interests, hobbies and expertise. They should contact the principal or the classroom teacher to arrange to share their talents.

Tuition Policy

3240.0 H.S.

See Finance

Playground Supervision

4001.H.S. Revised 06/2001

Due to Diocesan contractual agreement and recognizing that teachers need to have adequate lunchtime, playground / lunchtime / monitors will supervise the students during the lunch period. All monitors must have a BCI report and Protecting God's Children. On the playground, an assigned staff member will assist the monitors for each recess.

Attendance Policy

5133.0 H.S. Revised 6/2001

The academic progress of each student depends greatly upon the punctuality and regularity of attendance. Any absence detracts from this requirement and prevents the student from fulfilling an essential condition for earning credit for academic work.

Section 3321.01 of the Ohio Revised Code states that child between six and eighteen years who misses 28 or more days whether absences are excused or unexcused. Any student that has missed 15 days of school must have written statement from the doctor stating the illness and need for missing school for any subsequent absences.

Students who miss school regularly or take extended vacations on school time cannot demand the privilege of earning credits by special, individualized assistance from faculty members, "make-up" or special examinations.

This also applies to all school related events held off the school property (e.g. away games).

CODE OF CONDUCT

5144.1 H.S.

See Discipline

HARRASSMENT

5140.05

1. Harassment can take many forms. Harassment can occur at any school activity, and/or can take place in classrooms, halls, cafeterias, or even at programs sponsored by the school at other locations. It does not include compliments of a socially acceptable nature. Harassment is verbal or physical conduct that embarrasses, denigrates, or shows hostility toward a person because of his/her race, color, religion, gender, sex, national origin, age or disability.
2. It is the policy of the Catholic schools of the Diocese of Columbus to maintain a working and academic environment, in all programs and activities, free of all forms of harassment and intimidation. No student, teacher, or other staff member – male or female – should be subject to harassment in any form, and specifically not to unsolicited and/or unwelcome sexual overtures or conduct, either verbal or physical.
3. Conduct, which constitutes sexual harassment, is prohibited. Sexually harassing conduct includes but is not limited to, to the following:
 - ✓ Offensive sexual flirtations, advances, propositions;
 - ✓ Continued or repeated verbal abuse of sexual nature;
 - ✓ Explicit or degrading sexual or gender-based comments about another individual or his appearance;
 - ✓ The display or circulation of sexually explicit or suggestive writing, pictures or objects;
 - ✓ Any offensive or abusive physical conduct which shows hostility or aversion toward an individual because of gender or sex;
 - ✓ Graffiti or a sexual nature;
 - ✓ Spreading rumors about or categorizing others as to sexual activity.

Sexual harassment also includes the taking of, or refusal to take any school or academic action on the basis of a person's submission to or refusal of sexual overtures. No person should so much as imply that an individual's "cooperation" or submission to unwelcome sexual activity will have any effect on the individual's assignment, advancement, development, academic evaluation, participation in school programs or activities, or any other condition of school or academic achievement.

Not all-physical conduct is necessarily considered sexual in nature, for example, a coach hugging a student after an accomplishment, a teacher consoling a child with an injury, or physical conduct during athletic events would not be considered sexual conduct. However, peer-based sexual harassment (e.g., student to student) can be a form of prohibited conduct where the harassing conduct creates a hostile environment.

4. A sexually hostile environment can be created by a school employee, volunteer, another student, or a visitor to the school.
5. Where it is determined that improper harassment has occurred, the school will take immediate disciplinary action against any administrator, teacher, staff or student engaging in harassment. The response shall take into account and be considered to be appropriate for the ages of the individuals and circumstances.

A student who believes he or she has been sexually harassed (or a parent who believes that their child has been harassed) should immediately report it to a responsible school official.

6. No retaliation against anyone who reports harassment will be tolerated. The Diocese prohibits such retaliation and will take appropriate responsive action if retaliation occurs.
7. Any knowingly false charge or harassment made for the purpose of harming a person's reputation will have very serious consequences, which may include, depending on the circumstances, termination of participation in programs, suspension, or expulsion.

REGULATION SCHOOL RESPONSIBILITIES

5140.05 & 5140.06

1. Annually at the start of the school year the Diocesan Student Harassment Policy. See back pages of this handbook.
2. Each school shall follow Diocesan procedures for timely investigation and response to complaints.
3. Each school shall periodically train administrator, teachers, staff, and volunteers and use age-appropriate classroom information for students to ensure that they understand which types of behavior constitute harassment and how they should respond in the event of experiencing such behavior. Records are to be kept of training dates and names of those in attendance.
4. Each school shall also include the Diocesan Harassment Policy for Students in the school's faculty and student handbooks.

Students are expected to be at their pick-up points at least five (5) minutes prior to the scheduled morning pick up.

CARE OF BUILDING

The vast majority of students take great pride in our school building and equipment. Intentional damage to school property is a rare happening in our school. Students violating the property code by damaging the building, grounds, or contents are responsible for the entire cost of replacement or satisfactory repair and are subject to expulsion. This includes writing on desks, etc.

CHANGE OF ADDRESS OR TELEPHONE

If you should change your address or have a new telephone number (home, work or cell), please notify the school office so that our records will remain updated.

CLASSROOM – SCHOOL PARTIES

Special days such as Halloween, Christmas, may be observed with a simple classroom party or treat. Members of the Mothers' Club and other parents may be contacted to help provide treats on these days. The structure of our program and the minimum time allocations for the various subjects make elaborate parties impossible during school hours. An exception to this would be an all school Christmas Party. Other parties are to be the last 20 or 30 minutes of the day.

BIRTHDAYS

Grades K through Grade 4 Policy

We will be having a small birthday celebration for each child on the appropriate day. It is up to you and your child if you would like to sent in a treat. Some suggested treats are: pencils, erasers, stickers, pre-packaged nutritious snacks (fun fruits) etc. If you wish to pass out a non-packaged food item (example: cookies, Rice Krispies treat, etc.) please place it in a baggie so that the treat could be passed out at the end of the day. At no time may a treat be handed out to the students in the classroom or lunchroom without the prior approval of the teacher. Found in the classroom are various allergies to food that may affect the treats handed to our students. We will not take any risk in regards to the health and safety of our students.

PLEASE.....NO BIRTHDAY CAKES, CUPCAKES, ICE CREAM OR DRINKS!

Birthday invitation can be passed out in the classroom only if everyone is included. If the party is to be an all boy party, all of the boys are to receive an invitation. If the party is to be an all girl party, all the girls are to receive an invitation. If the party is to be a class party, then the entire class is to receive invitations. I'm sure you can understand the reasoning behind this. Thank you for your cooperation and understanding. In addition, please do not make arrangements for the celebration to begin at dismissal.

CLOSING – EARLY DISMISSAL DUE TO WEATHER

Holidays declared because of hazardous or inclement weather conditions will be announced over the local stations. The principals listen to the radio also to see if the schools are closed. The superintendent of Catholic Schools calls the radio stations and declares a day of no school. The Office of Catholic Schools staff understands that the decision to open or close schools in bad weather has a significant impact on families. We also understand that our students are better served--both academically and socially--by being in school. However, the students are always the top priority. Once the principal has been informed she will send out a voice message via School Announcement to all our parents.

How is the decision made?

Please understand that the decision to open or close schools in bad weather is based on careful consideration of all relevant factors, such as:

► Information on road conditions--Even if the streets in your area do not seem to be "that bad," the students in our schools come from a great number of different school districts. We have to look at all the areas from which our students will be coming. Additionally, many of our high school students are driving to school from great distances, and their safety is a primary consideration.

- ▶ Amount of snow and ice accumulated.
- ▶ Whether precipitation is continuing.
- ▶ Building conditions (such as whether there is electricity or heat).
- ▶ Temperature and wind chill. Please remember that some of our students walk to school and some must wait for the bus.
- ▶ Weather predictions. It is preferred that the decision not be made on the basis of weather predictions, which are not always accurate. However, we must use the information available to us.

◊**Who makes the decision?**

The superintendent makes the decision for our schools located in the Columbus Public School District.

◊**How is the public notified?**

A member of the Superintendent’s staff contacts the media and asks that the announcement be made for Columbus Catholic Schools. Unless you see or hear that Columbus Catholic Schools have closed, our schools will be open.

◊**When is the decision made?**

The decision is usually made before 6 AM, but no later than 6:30 AM. After 6:30 AM, the buses are already on their way to pick up students.

◊**Will we close school if conditions worsen?**

Keep in mind, once the decision to keep schools open is made, we cannot reverse the decision in the morning without endangering students. Once the decision is made to open the schools, many parents rely on that information to make work plans. If we would attempt to send the students back home, many would be returning to empty homes.

Early dismissals for weather emergencies will be reported to the media. Since we have five bus companies from different districts we will give each family a form at the beginning of the school year to fill out. This form will indicate that you will be called at home or work if there is an early dismissal because of weather or emergency. If we cannot reach a parent at work or home, the child will remain at a school with supervision until their parent is located.

It is dangerous to stop traffic on Yearling Road.

Several times during the school year, this program will be held at Eastside Catholic Schools. Each Eastside Catholic School will have parents trained to be the presenters. TECHNOLOGY POLICY

Policy Dec. 10, 1996

Holy Spirit School provides computer equipment, computer services, e-mail and internet access through the guidance of faculty, to enable all students to use modern electronic technologies to enhance learning.

All students are expected to abide by all current copyright laws. Students may not use the equipment for any illegal activity. Students may not use the school's equipment to transmit, download, or receive any materials, which could be considered slanderous, sexist, racist or otherwise inappropriate. No student may install, upload or download software without permission. Any software having the purpose or damaging other student's accounts for the Diocesan network (e.g. computer viruses) is specifically prohibited. During class time, students are to only work on program(s) assigned by the teacher. Students are asked to use the printing facilities judiciously as unnecessary printing adds expense and shortens the life of the equipment. Any student who misuses internet or e-mail is subject to the termination of use and other action in compliance with the school's discipline code.

WELLNESS POLICY

5145.0

Catholic schools recognize that it is essential to educate the whole child, spiritually, academically, physically, socially and emotionally. Wellness education must be multi-dimensional and encompass all the same areas in order to promote ultimate health. Catholic schools aide this emphasis on total wellness by embracing the reverence for life, self-respect, and respect for others.

The primary goal of nutrition education is to positively impact eating disorders. The primary purpose of Physical Education is to promote physical fitness and to have students develop habits that will be beneficial throughout their lives.

All schools with a lunch program must follow nutritional guidelines.
