Fundraiser Ends

Dear Parents,

Thank you for a wonderful Virtual Curriculum Night! It was not our ideal circumstances, but it was a great way to hear about what your child is doing in school and interact with teachers during the question and answer session. My presentation is posted on the website. If you have not watched it, please do, it gives important information for everyone.

As the season begins to change, please make sure your child is dressed appropriately for school. Dress uniform is to be worn starting next week, September 21<sup>st</sup>, except on the days of PE. Your child's teacher will let you know what days those are. Next week, students may wear their tennis shoes.

The weather change also brings allergies, sinus, and cold season. Please remember to drink fluids and take care of yourself and children. The COVID-19 symptoms are similar to the cold and flu. We have to follow the CDC and Diocesan guidelines when a child is sick. If you have any questions, please let us know.

God Bless and Stay Safe,

Miss Chessler

## Important Points:

- Help your child check their assignments and make sure students are turning them in on time.
- Please make sure all paperwork and fees are turned in. The planner fee is \$5.
